#GIVINGTUESDAYKC

Goodbye Cyber Monday - Hello Giving Tuesday, November 29!

Are you a part of #GivingTuesdayKC? It's a global day of giving, happening right here in Kansas City!

Your gift today to UCS allows us to continue our mission of Informing and educating through data analysis, leading collaborations and mobilizing resources. The eNews you receive is just one of the many ways we share our data and research around issues that impact the health and welfare of our community.

The core of UCS' work is leading collaborative planning. Convening and facilitating the work around such issues as poverty, homelessness, substance abuse, children and families, and Trauma Informed Care, enhances the availability and delivery of health and human services. UCS believes our impact is greatest when we work together to find solutions.

Be a part of the solution and make your [online gift](#) today to UCS during #GivingTuesdayKC!

Our mission: Provide data analysis, lead collaborative planning and mobilize resources to enhance the availability and delivery of health and human services.
