

2019 Human Service Fund Priorities

Note: Numbering of priorities does not indicate one is more important than another.

Programs funded by the HSF must deliver measureable outcomes which benefit county residents and, in the long-term, benefit local governments by avoiding, deferring, or preventing costs that otherwise might be incurred by local government.

1. Programs funded by the HSF must fit the definition of “Safety Net or Work Supports.” Priority is given to programs that address child care and early childhood development, job training, emergency aid and shelter, child/adult abuse, child welfare, and health care.
2. Priority will be given to programs that serve individuals and/or families with income below or near the federal poverty level.
3. Priority will be given to programs that demonstrate innovation and/or collaboration in program delivery.
4. Priority will be given to programs that are consistent with an evidence-based program, best practices or promising practices, or replicate a successful model.
