► STATE LEVEL DATA

POVERTY

Poverty status of Kansas children under 18.

The difference between state-level poverty rates depicted in the pie graph and county-level rates indicated on the next page is due to the data year. To compare the county's poverty rate with that of its peer counties, use the poverty row in the Economic Indicators section on the next page. If only referencing state's poverty rates, use the more recent state-level data available in this pie graph.
