2021 Human Service Fund Funding Priorities

Health and human service programs funded by the Human Service Fund must:

- promote self-sufficiency, well-being and/or personal safety of Johnson County residents and fit within safety net investment components of basic needs, work and income supports, or health.
- offer county-wide services or fill a gap which results in county-wide benefit
- offer equal access to all clients and prospective clients who could benefit from the program.
- deliver measurable outcomes which benefit county residents and, in the long-term, benefit local governments by avoiding, deferring or preventing costs that otherwise might be incurred by local government.

Priority is given to programs that:

- address emergency aid and shelter, child/adult abuse, child welfare, health, work support services such as childcare and early childhood development, and job training.
- serve individuals and/or families with income below or near the federal poverty level.
- demonstrate innovation and/or collaboration in program delivery.
- are consistent with an evidence-based program, best practices or promising practices, or replicate a successful model.
