

2023 APPLICATION
ALCOHOL TAX FUND (ATF) of Johnson County, Kansas
Drug and Alcoholism Council of Johnson County (DAC)
A program of United Community Services of Johnson County (UCS)

Applications Due August 4, 2022, 3:00 p.m. at UCS, 9001 W 110th St., Ste 100, Overland Park, KS 66210

GRANT SUBMISSION INSTRUCTIONS

- **Application Checklist:** Submit an electronic copy of each application document to both Christina Ashie Guidry at christinag@ucsjoco.org and Cathy Goodwin at cathyg@ucsjoco.org. Please ensure that your files are named as follows:
 - Application: [AGENCY NAME] – Application – 2023
 - Program Budget: [AGENCY NAME] – Program Budget – 2023
 - Board-approved Agency Budget: [AGENCY NAME] – Agency Budget – 2022
 - Agency Standards Form: [AGENCY NAME] – Agency Standards – 2023
- Submit three (3) hard copies Cover Page (1 with a **wet signature**), Application, Program Budget, Board-approved Agency Budget, and Agency Standards to the UCS office by August 4, 2022 at 3:00 p.m.

COVER PAGE: The executive director or equivalent and an officer of the governing board must **sign (wet signature)** the cover page and submit it with the application.

APPLICATION, including FINANCIAL INFORMATION AND SERVICE STATISTICS: List the number of participants served by the program(s) or service, by jurisdiction, for which Alcohol Tax Funds are requested. **Define the unit of service** for which data is provided. List the total unduplicated participants, total units of service delivered, and units of service delivered to Johnson County residents, for program for which ATF support is requested. **If the ATF supported program receives funds from other sources, the service statistics should reflect all program participants, not just participants directly supported by ATF.**

Some fields have character limits; character limits include spaces.

PROGRAM AND AGENCY BUDGET: The ATF Program Budget must reflect the program(s) or service(s) for which ATF funding is requested. Submit a copy of your board-approved agency budget as well.

AGENCY STANDARDS and DOCUMENTATION: Attach one copy of documentation as required by the Agency Standards (see 2023 ATF RFP and Agency Standards form). Assemble attachments in the order of the Agency Standards checklist.

Address completed application to: Christina Ashie Guidry, Director of Resource Allocation
United Community Services of Johnson County, Inc.
9001 W 110th St., Ste 100, Overland Park, KS 66210

Questions may be directed to christinag@ucsjoco.org.

***ATF PARTICIPATING JURISDICTIONS:** Johnson County and cities of De Soto, Gardner, Leawood, Lenexa, Merriam, Mission, Olathe, Overland Park, Prairie Village, Shawnee (Contact UCS for information about applicable nondiscrimination ordinances and/or policies.)

5. Evidence-based and Promising Practice: What Practice(s) do you use? For each Practice, explain: a) how and why you selected it; b) who created it, *e.g.*, CSAP, SAMHSA, OJJDP, or CDC; c) how you ensure that model is effective for your clients; d) how you ensure fidelity to the program model. (2100 characters)

6. Trauma-Informed Care happens on a continuum; examine the [Missouri Model](#) and identify where your organization falls on that continuum. (700 characters)

B. Need for Services and Return on Investment (ROI) (25 points) *Other factors in this score include applicant's mission, financial position, and legal issues.*

1. What community need is addressed (including supporting data): (1750 characters)

2. How this program fits within your organization: (700 characters)

3. How it coordinates with other organizations in the area: (1050 characters)

4. Why it is a good investment for the contributing jurisdictions, including ROI, where possible. (1750 characters)

C. Program Outcomes (20 points): *Other factors in this score include applicant's service statistics.*

1. Identify measurable outcomes for 2023 and data that will be collected to measure achievement of outcomes. **(3000 characters)** (Outcomes are benefits or changes that result from the program and describe the impact, change, or value to clients as a result of participation; for example, data reflecting abstinence from substances, access or entry to housing, reduction in criminal activity, and access to/retention in services.)

2. Provide a history of outcome achievement within this program, including data from ATF semi-annual reports, where available, and other relevant examples. **(3000 characters)**

3. If applicable, address “additional review comments” from your Oct. 2021 Preliminary Notification; how have the comments been addressed during 2022 and/or is addressed in the 2023 ATF application? (1800 characters)

D. Funding Sources and Uses (15 points): *Other factors in this score include applicant’s budget.*

1. How ATF funding is critical to achieving the desired outcomes? (1050 characters)

2. If asking for an increase from a current ATF grant, explain why. (1050 characters)

3. Will you carry over unused funds from the prior ATF grant year? If so, explain why the funds were not expended and how you plan to use them in 2023. (1050 characters)

4. If ATF dollars will be used to pay for contractors or consultants, identify that contract amount, how the individual(s) will be selected, and what qualifications (license, credentialing, etc.) will be required. (1050 characters)

5. If there is a variance of 25% or more in any expense line item on the program or agency budget from one year to the next, provide an explanation of the variance. (700 characters)

6. For 2021, 2022, and proposed 2023 program budget, justify surplusage or deficits of 10% or greater. If the program has had surplusage, why is ATF needed? If a deficit, how is the program being sustained? (1500 characters)

E. Diversity, Equity, and Inclusion (10 points)

1. Describe how your services and approach to serving clients reduce barriers to client participation, such as finances, transportation, hours of operation, childcare and addresses cultural diversity? (1800 characters)

2. Provide the racial or ethnic demographics of program participants in percentages. (1200 characters)

3. List trainings staff have received to support cultural competency (*i.e.*, trauma-informed training or racial equity training). (1200 characters)

F. Qualifications, Licensing and Accreditation

1. If applicable, describe agency's licensing and accreditation (including date of license/accreditation and standing) for services described in this application. Provide a statement that confirms all employees providing such services are in full compliance with the licensing/certification requirements necessary or explain in detail steps you are taking to ensure compliance. (1200 characters)

2. If services do not require agency or employees to be licensed or accredited, describe qualifications required (e.g. educational degree, experience, training, certification) and provide a statement confirming that all employees are so qualified. If not qualified, explain what steps will be taken to ensure staff are qualified -- for example, training could be included in the grant request. (1200 characters)

AGENCY FINANCIAL INFORMATION

Agency Fiscal Year: Calendar Other (explain):

Year Founded:

Financial Contact and Title:

Phone Number:

Email:

Agency's total operating budget for 2022:

Is the agency current on all financial obligations such as debt payments, payroll, taxes, etc.?

Yes

No (explain): (350 characters)

Does the agency have an endowment? No Yes (how much?):

What is the intent of the endowment funds and how are earnings from the endowment used? (600 characters)

Does the agency have an operating reserve? No Yes (how much?):

Is the agency, any of its officers, or Board members the subject of or involved in any legal issues such as, but not limited to, complaints or litigation, or aware of any pending or threatened legal action or complaints?

No

Yes

If yes, please explain: (600 characters)

Is the agency involved in any type of investigation, examination, or audit (other than a standard annual audit) by an outside entity regarding business practices or service delivery?

No

Yes

If yes, please explain: (600 characters)

Identify what portion of the program is requesting ATF funds (in percentages) falls into these categories:

Education/Prevention/Intervention

Intervention/Treatment/Recovery

SERVICE STATISTICS BY JURISDICTION
Number of participants in ATF-supported program(s)*
