

After Capitol Hill Day Follow-Up with Legislators

After Capitol Hill Day, it's important to follow up with legislators – whether you were able to meet with them or not – to build your relationship with them, offer to give them a tour or more information about your work (if applicable), and let you know that you are a resource.

Sample Template - If you met with them:

Dear Senator/Representative,

Thank you for your time yesterday/Feb.13. I appreciate the opportunity to connect with you on Kansas' shortage of affordable housing and the need to invest our state dollars in affordable housing and service supports to end homelessness. Please find attached a one-page handout identifying some ways the legislature can ensure sustainable economic growth in Kansas. I'm happy to serve as a resource for you on these topics as you continue your work this session.

(My organization) would also welcome you to come take a tour and see the work that we're doing and how we're collaborating with other organizations. Let me know when you're available.

Sample Template - If you missed them:

Dear Senator/Representative,

I'm sorry we weren't able to connect yesterday/Feb.13 at the Capitol. I want you to know that my greatest priority this session is Kansas' shortage of affordable housing and the need to invest our state dollars in affordable housing and service supports to end homelessness. Please find attached a one-page handout identifying some ways the legislature can ensure sustainable economic growth in Kansas. I'm happy to serve as a resource for you on these topics as you continue your work this session.
