HOUSEHOLDS BY TYPE

PIT COUNTS BY LOCATION

Unsheltered: outdoors, tents, vehicles, other places not meant for habitation

Transitional Housing: temporary housing for households experiencing homelessness

Extreme Weather Shelter or Hotel/Motel: seasonal shelters or short hotel/motel stays provided by agencies in extreme weather

Emergency Shelter: year-round shelters, including population-specific shelters

**Notes: The 2021 PIT count was likely lower due to safety protocols implemented during the COVID-19 pandemic. In 2024, the CoC HMIS Committee recategorized one project from transitional housing to emergency shelter.*
